

## Eben-Ezer Public School Bangalore

THE EBEN-EZER:EDUCATIONAL TRUST with an ennobling vision of creating quality professionals & inspiring leaders of the future, started the Eben-Ezer Public School in the year 2001.

The word “Eben-Ezer” means, “Thus far Almighty God has helped Us”. As entrepreneurs we endeavor to shape the profile of the Ebenezer learner, to be a God fearing ,well balanced and responsible global citizen equipped for a higher purpose in life.

Motto:

Light up the Darkness

Vision :

Give the best to the coming generation. Pursue excellence passionately, it will be the foundation for success. Our people, our children, deserve the best.

Mission :

To achieve excellence in Education, and to carve out quality professionals.

Learning is much more than academic performance or class room discipline. Today is the time to carve the people of the best for tomorrow. Do not miss any opportunity when it comes to developing children’s minds.

Our Core Values:

We love God and we love people

Our passion is excellence

Our approach is compassionate Education is for holistic development

SCHOOL CURRICULUM:

The school curriculum follows Class I-VI ICSE Syllabus, VII-X State Syllabus.

The curriculum is a harmonious blend of both Scholastic and Co-curricular activities, Emphasis is on the holistic development of all the facets of the child’s personality. A dynamic attitude, learning by doing, team work and co-operation is encouraged in all aspects of School life.

PROJECT WORK:

Project work in every subject will be a part of the syllabus / curriculum from LKG to Std X. Parents are advised to ensure that the students take these assignments seriously and submit them for evaluation on the specified dates.

#### CO-CURRICULAR ACTIVITIES :

A harmonious approach lies engendered at the core of all our academic and co-curricular planning. We pilot essential values such as discipline, integrity, hard work, cooperation, empathy, respect and independence through them. Literary activities, Art and Craft, Dance, Drama, Music, Games and Sports, Kids Club, Scripture Lessons, Community Service etc. at the school. Provide ample opportunities to develop the full cognitive, social, emotional, spiritual, and aesthetic quotient of each individual child.

#### HOUSE SYSTEM:

The House system in the school aims to inculcate in students the values of Servant leadership, unity, team work, responsibility, and accountability. The school is divided into four houses and is led by the elected Captains and Prefects who take the oath of office at a formal Investiture Ceremony. The various Inter House competitions held under the able guidance of the Principal and teachers forge a spirit of comradeship and healthy competition. The House positions for excellence in curricular and co curricular activities are declared annually based on the total points secured in the activities held during the year.

#### Our Facilities

##### Library

The school library has an excellent collection of books, encyclopedias and Publications. The collection is being Updated regularly. All the students Make use of the library. The library is Made use of mostly during the free hours under the guidance of library staff.

##### Computer Lab:

The School has a computer lab which has infrastructure in terms of hardware and software which cater to the requirements of the students, teachers and the curriculum. The teachers assist students in learning.

##### Audio Visual Room

The school audio visual lab is well equipped and uses these facilities for information, learning, entertainment. Students get a live multimedia experience based on the topics they study in their classroom.

#### Laboratories

The School Science labs for physics, chemistry and biology are fully equipped with model charts, instruments, chemicals and apparatus required for students in the school. These facilities have helped students in reviewing and reinforcing scientific & experimental concepts and developing investigative skills.
